delight

What are we trying to accomplish with our community service?

We seek to bring gifts and flowers on our retirement home visists, donate toys, clothes, and essentials to Angel Tree and Operation Christmas Child, and present the Knoxville community with food and adequate clothes.

What do we need for our chapter?

For the upcoming semester, we need to raise enough money to fund our retreat, formal, monthly events, and annual brunches.

What scholarship opportunities do we provide for our members?

We provide Delight books and Bibles to girls that cannot afford them and fund their monetary needs so that they can participate in events. Our current goal is to provide scholarships to outstanding members of our chapter as well.
